

Hammarbygymnasterna (HG)

Hammarbygymnasterna was founded in 1947 and accordingly celebrates 70 years 2017! During this long time span we have fostered many top gymnast's on national as well as international level, many who are presently active in our WAG and MAG operations. With this legacy we are convinced to continue our development of our present and new gymnasts as we proceed our journey.

Do you want to be part of our journey?

We now seek a Head Coach for WAG dedicated to lead our teams into future success.

The majority of the training takes place in Åkeshovshallen, west of Stockholm city.

We are looking for a coach on a full time basis with the responsibility to coach the best gymnasts in our club and have the overall responsibility of the WAG section and it's development. Three of the gymnasts are members of the Swedish junior National Team and 2 gymnasts are members of the Swedish Senior National Team.

Responsibilities:

- Daily coaching of the best WAG gymnasts in HG. This includes work in the evenings as well as during weekends
- Long term planning of the training, competitions and training camps
- Support the gymnasts at all competitions, on our own training camps and on the camps with the Swedish national team
- Participation in National Team camps and competitions.
- Overall responsibility for the WAG section, their coaches and development.

Our expectations:

- You have the necessary qualifications needed for a professional coach of WAG
- You have experience from coaching WAG gymnasts of a high level
- You want to develop your coaching skills
- You are an excellent collaborator and you have good organisational skills

We offer:

- A full time job as professional Headcoach for WAG
- An active and challenging job together with some of the most promising gymnasts in Sweden

Start: As soon as possible

Salary: To be agreed

If you are interested in this position please send your applications to our Head of Sport, Hans Goldring, hans.goldring@hammarbygymnasterna.se. If you have any inquiries please contact us +46 70 531 62 03
